

SPONSORSHIP OPPORTUNITIES 2024

After a wet and muddy show in 2023, Emley Show is delighted to announce that we are back again for 2024! We can't wait for Saturday 3rd August to welcome back our trade stands, sponsors and visitors.

The Hampshire family are once again kindly hosting the show at Factory Farm, right under the mast with views stretching across Yorkshire.

The show regularly pulls in over 7000 visitors from Huddersfield, Wakefield, Leeds, North Yorkshire, South Yorkshire and even further afield. All keen to see a glimpse into the world of farming, agriculture and country pursuits.

Once through the gates our visitors, exhibitors and sponsors are spoilt for choice with a wide range of activities on offer, from agricultural events, country crafts, family entertainment and competitions. It really is a day for all!

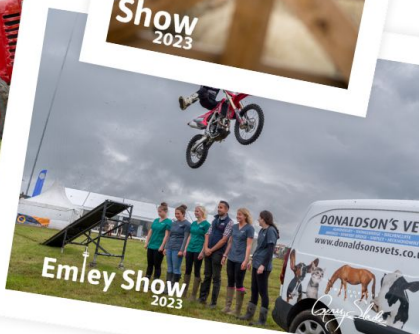

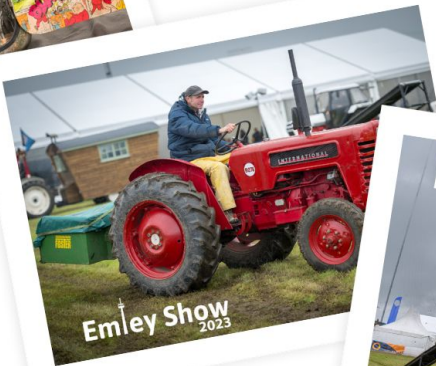

Every year the show is made possible by our wonderful committee who work throughout the year, making plans, making phone calls, making decisions to make the show better. Our wonderful team of volunteers who make sure that show day runs smoothly, from car parking to making tea they do it all.

And our sponsors, who's generous purchases and undying support not only ensure our show continues its traditions but helps us to continue to support our local community.

As a sponsor of the show there are so many perks, from PA announcements on Show Day to Social Media coverage running up to the show.

We offer Members Only Area Access with show passes, ensuring you the best day out.
