Emley Agricultural society – Cattle Section

2024 welcomed old and new faces back to the Emley show from near and far. With a great turnout of 73 cattle including Dairy, continental and native breeds, it was nice to see everyone taking part. It's always great to see the future of farming and the next generation taking part in the young handlers classes as well and our new vintage handlers classes were the best way to finish of the day being the most tense classes ever seen.

This year we will be continuing with the various breed classes and hopefully attract more exhibitors as well as continuing with fun and group classes including interbreed pairs, and baby beef. There will also be interbreed dairy calf classes. There will be tea and coffee facilities available for exhibitors and the judges in the secretary's tent.

We are always looking for ways to improve our classes and competitions and will take any ideas into consideration as it is the exhibitors that make the show possible.

We are proud of the Emley Agricultural Society and the work that we do and take great pleasure in providing such a wonderful experience for both the exhibitors and the public. So come along and join us to make this year better than last!

Aimee Harrison – Cattle Secretary
