

Children's Section 2026

The theme this year is 'Farmyard'

Farmyards are bustling places, full of noise, movement and life! This this year, we are asking children to think of all the different things that happen in a farmyard and decide how they can represent that in their entries to our classes below.

From flowers to animals, tractors to farmhouses, anything goes! Let's see what wonderful creations we get from the imaginations our competitors this year!

Children are invited to enter any of the classes outlined below and are encouraged to bring to life anything that makes them think of a farmyard. All entries are free and multiple entries are allowed.

Classes

'Recycled art' is a freestyle class – children may enter a model, collage, painting, sculpture, or handcraft. Materials used should be predominantly recycled from household waste, such as old clothes, packaging, natural materials found in the wild etc.

Just bring your creation to the Children's tent on the day of the show before 12:00 for free entry to any (or all) of the categories below. No limit on number of entries.

	Age 3-4	Age 5-8	Age 9-11	Age 12-15
Recycled art	950	951	952	953
Photography	X	954	955	956
Lego model	X	957	958	959
