- The timetable in the schedule is approximate and although the organisers will make every effort to keep to it, the show reserves the right to make alterations as it sees fit.
- Hard hats that conform to current BSI regulations must be worn by all riders within the showground when mounted and all exhibits should have public liability insurance.
- Ponies and Horses must only be ridden by a rider of suitable size at any time while on the showground.
- Age taken as on show day unless stated otherwise.
- All equines on the showground must have a valid passport available for inspection by the officials on show day.

Equine Influenza – Horses must have been vaccinated to comply with the requirements of the primary course. In foal mares should be vaccinated 4-6 weeks before the foal is due to be born and foals should be vaccinated at 6 months of age

The requirement for the first 3 vaccinations is as follows:

First 2 vaccinations 21 – 60 days apart;

Third booster between 120-180 days;

Annual booster vaccination within 6 months or 12 months depending on governing body.

No equine should enter competitions within 7 days of an EI vaccination. Vaccinations are subject to local risk assessments by the attending veterinarians

Suitably Mounted - All animals ridden anywhere on the showground, rings or lorry parks (day or night), must only be ridden by a rider whose size and weight does not compromise the animal's welfare. We are operating under the 20% rider weight guideline where the rider in full riding attire with full tack must be less than 20% of the animal's bodyweight. This is based on a relatively fit, healthy animal, as an overweight animal is also a welfare concern.

Passes will be required to gain entry to the showground and will be sent out with competitors' numbers. The Horse gate will be a fully working pay gate for those without passes.

NO VEHICLES ALLOWED ON THE SHOWGROUND OR CAR PARKS BEFORE 7AM

Only Horseboxes and vehicles with a trailer on will be allowed in the horsebox park
NO SINGLE CARS

Please note the Show Society requires that all trailers and boxes used to transport equines to the showground must be cleansed prior to attending the show to reduce the risk of spreading disease.
